MEMORANDUM FOR DEPUTY DIRECTOR OF CENTRAL INTELLIGENCE

SUBJECT: General Accounting Office (GAO) [] Access Requests

25X1

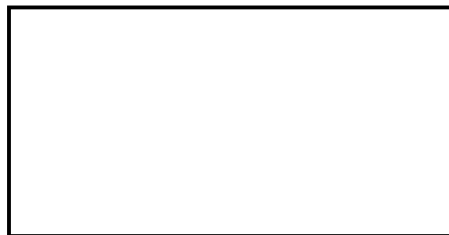

Currently, GAO submits requests for clearance of GAO Staff personnel requiring [] accesses to the Central Intelligence Agency. These requests are being approved without coordination with this office. Additionally, while these accesses should be approved only on an assignment-by-assignment basis, the GAO personnel continue to retain them after the original requirement has been satisfied. The result has been the establishment of self-initiated audits of NRP activities that appear to be a way of retaining individual access to SCI activities. This has a detrimental effect [] as well as an impact on NRP resources to support these audits. It is requested that all requests for [] accesses for GAO Staff personnel be coordinated with this office.
